As of April 25, we are over 200 babies. The "7" in their number means born in 2017.

As of April 25,  
The last one Zach listed was 7102. So there are another 50 does to be listed as of April 25.

Aug 7, 2017

Scott Recommends:

#798                      The dam had mastitis so the computer knocked  
#799                      her rating WAY down.

As of Aug 26, 2017 There are another 17 doe kids still to be listed.

Sep 16, 2017

Scott recommends:

#771 She is rated way lower then her price.  
Why? One of trips.
