The "8" in their number means born in 2018.

Scott's pick for a dairy farmer is going to be 8116 whenever we get her on the list because she is either dark tan or light brown, take your choice.

September 1, 2018 Scott feels KERVELLA \$ 828 is the best value right now. The sire is built really well and his dm is 99thpercentile. The dam has VERY GOOD milk but not the TRULY GREAT milk need to stay at CAPRIKORN.
