ADVANCE BABY SALES 2024 BABIES

FALL 2023 BREEDINGS

Rev: 2/16/2024

NEW CF/2024: 2024_Advance_Baby_Sales

WHY WOULD YOU RESERVE ONE IN ADVANCE?

If you are a Dairy Farmer- to be sure you get the most milk.

OR

for the same reason people buy lottery tickets in advance. *If no one has reserved the kid, and it comes out super beautiful, we raise the price because the show people want it.*

If you reserve it in advance you get the kid at the advance price no matter how showy it is.

(The other major breeders go "There is something called "Breeder's Rights" and we are keeping this kid because he/she is just too good looking to sell)

When your kid is born, YOU get it. We don't keep the really hot looking kids for ourselves.

Unless you decide to cancel. Then you get a complete refund right away.

THESE PRICES CHANGE ALL THE TIME. We have a DHI test every month and we have frequent evaluations.

Once you make a deposit, YOUR PRICE NEVER CHANGES.

A deal is a deal.

Fill out an UNBORN KID ORDER FORM or call us and we will fill it out for you.

We try to ship at four weeks.

We will report to you on the dam's progress 4 weeks into her lactation if we don't feel she is living up to her ancestors. We will try to refund your deposit if we aren't happy with her at that point.

(Heads you win, Tails you win)

Dam doing great, you get the kid.

Dam doing poorly, you get your deposit back.

Two years ago we said: "Scott's recommendation is KASHTA #827's buck kid." No one took that advice and now the kid is incredibly expensive.

Where you see the word "FAMILY" you can click on "our Doe Families" and read a full page of statistics about the doe.
