SEMEN SALES RECENT BUCKS

ALL OUR BUCKS TEST CAE NEGATIVE

The Percentiles (also called Rank) is a very complex USDA computer program which gives every animal a "percentile." Also called "Rank," "Percentiles" take into account fat and protein as well as milk. And even more exciting, the lactations of every relative. All the Saanens in the country which have EVER been on test are hooked up by the USDA computer. Every relative - no matter how distant! WOW!

They are right there on adgagenetics for everyone to see.

"No Return" Policy on Semen. (How can we assure the next buyer that you kept it frozen?)

PRICES

All the semen attached is \$20 per straw, **except:**

BULGING EYE	Sold Out.
SNOW	\$15 (We have a LOT)
ZEPP0	\$50 (Running out)

wp: semen

Where we have 10 or less, it is NOT FOR SALE.

We sell in units of 10 straws.

Shipper rental and pull charge is \$49.

UPS averages around \$34. For domestic shipments, we charge you \$24 each way, no matter what UPS charges us. That way you know what you are paying. You don't pay UPS. You pay CAPRIKORN FARMS \$97 plus the semen and we pay for the shipper and the pull charge and UPS.

Of course you can pick up from Berryville, VA, North American Breeders and just pay the pull charge. Dial (540) 955-3647. Ask for Patty
