## **Does for Sale**

**~ Prices Subject to Change without Notice ~**

**SIGN A CONTRACT WITH A DEPOSIT AND THEN  
THE PRICE NEVER CHANGES**

*to get a description of any of these does click on the button:  
"our doe families"*

**PRICES ARE CORRECT AS OF  
Revised February 22, 2018**

This doc is in WORDPERFECT as  
"does for sale wordperfect" - two doc's in front of "Does for Sale"  
**THIS LIST HAS BEEN PICKED OVER!**

Try-There are also last year's doe kids behind a  
button called "2017 Does for Sale."  
"And now, 2018 Does for Sale"

You can buy as many as you want,  
if you leave us with 18 for herd replacements.

How about 2017 doe Kids?

They are listed behind a different button -

**TRY “2017 does for Sale”**

Scott says: “That is the best place to shop.”

“This list has been picked over.”

NOTICE: Between July 15<sup>th</sup> and February, due to the breeding season,  
prices change every day in accordance to pregnancy. But once you send  
a deposit the price never changes.

(301) 834-8030 (301) 432-8048

*Our Discards probably out-milk your Keepers*

But we send our discards to the sale barn.

The best place to shop THIS list is at the back;  
does that start with the number “6” were born in 2016

As of January 5, 2018 every doe on this list is Pregnant.

Sent the others to the Sale Barn

“Bred” means that the doe was mounted and it looked like the buck “got  
her.”

“Confirmed pregnant” means we have a positive pregnancy test from the  
lab.

Scott's pick for a Dairy Farmer is #618.

Jan 4 2017

Scotts pick for a dairy farmer that does not show is EROICA #421 (pronounced Err ROW ih ca)

Except this year she is kidding very late.

Good prices, solid milker as of April 2017.

FIREBEE #579

Scott says, August 30 2017 -

'FLYER #5127 is a wonderful value pick for a dairy farmer. Right before the new ratings came out she freshened with mastitis.

Only that one bad test went into her rating. Now she is mastitis free and going up.

She was 99 before that test and now she is only 97.

But the main thing is that she is a 75% grade. Alice and I are Saanen Breeders. Our grading up program has moved on one generation. We got 6 87.5% grades, which are called Americans. When we determine who the best of the 6 is we will get a buck kid from her.
